Ads that “move”

About Pocatello Regional Transit (PRT) and “ads that move”...

PRT provides public transit fixed route and door-to-door services. We serve communities throughout Southeast Idaho including Bannock County, Bear Lake County, Bingham County, Caribou County, Franklin County, Oneida County, and Power County.

Our buses collectively travel nearly 600,000 miles performing around 250,000 passenger trips annually. We cover a lot of ground so if you're looking for great exposure at a reasonable price, we've got what you're looking for.

PRT is a recipient of Federal Transit Administration (FTA) grants which requires local matching funds. These funds come from contributions, donations, and other revenue sources like bus advertising. So, when you advertise with PRT, you become a team player in increasing mobility for individuals and communities.
